| N.  | Denominación                            | Description                              | Dénomination                          | Cod.    |
|-----|-----------------------------------------|------------------------------------------|---------------------------------------|---------|
| 1   | Puerta superior LU-60                   | Door (upper part) LU-60                  | Porte superieure LU-60                | 2319091 |
| 2   | Junta cónica desagüe ref. 31015         | Conic drain gasket ref. 31015            | Joint conique vidange ref31015        | 2319103 |
| 3   | Washing inlet LU-60                     | Washing inlet LU-60                      | Entrée lavage LU-60                   | 2319093 |
| 4   | Tuerca sujeción M52                     | Washer M52                               | Ecrou maintien M52                    | 2319094 |
| 5   | Tubo aclarado SU-600                    | Rinsing tube set SU600                   | Tube rinçage SU-600                   | 2319015 |
| 6   | Tuerca ciega 1/4 g                      | Blind washer set 1/4g                    | Ecrou aveugle 1/4 g                   | 2319011 |
| 7   | Acoplador superior LU                   | upper coupling set LU                    | Accouplement supérieur LU             | 2319095 |
| 8   | Eje aclarado superior LU-60             | Upper rinsing shaft LU-60                | Axe rinçage supérieur LU-60           | 2319129 |
| 9   | Tuerca cierre aclarado LU               | Rinsing lock washer LU                   | Ecrou fermeture rinçage LU            | 2319096 |
| 10  | De boquillas de aclarado SU             | Rinsing nozzle set SU                    | Becs de rinçage SU                    | 2319017 |
| 11  | Tubo difusor aclarado LU-60             | Rinsing disperser tube LU-60             | Tube diffus. rinçage LU-60            | 2319098 |
| 12  | Tapón aclarado SU                       | Plug set SU (rinsing)                    | Bouchon rinçage SU-vibrat.            | 2319019 |
| 13  | Panel lateral sup. izquierdo            | Panel (upper left)                       | Panneau lat. supérieur gauche         | 2319162 |
| 14  | Tuerca separadora LU                    | Spacer washer LU                         | Ecrou séparation LU                   | 2319099 |
| 15  | Difusor lavado SU-60 / LU-60            | Washing disperser SU-60 / LU-60          | Diffuseur lavage SU-60 / LU-60        | 2319100 |
| 16  | Eje acoplador inferior LU-60            | Lower coupling shaft LU-60               | Axe accouplement inférieur LU-60      | 2319130 |
| 17  | Junta plana acoplador                   | Coupling smooth gasket                   | Joint plain accouplement              | 2319131 |
| 18  | Imán capota                             | Hool magnet set                          | Aimant capot                          | 2319428 |
| 19  | Tacos de goma                           | Door limit set SK                        | Tampons porte SU-600 (4)              | 2052751 |
| 20  | Puerta inferior con tope LU-60 /SU-600  | Low Door with stop set LU-60 /SU-600     | Porte inférieur LU-60 /SU-600         | 2319126 |
| 21  | Cruceta SU                              | Disperser body set SU                    | Accouplement SU                       | 2310906 |
| 22  | Acoplador inferior LU                   | Bottom coupling set LU                   | Accouplement inférieur LU             | 2319102 |
| 23  | Racord aclarado SU                      | Rinsing coupling set SU                  | Raccord rinçage su                    | 2319023 |
| 24  | Codo desagüe SU600                      | Drain elbow SU600                        | Coude vidange SU-600                  | 2319049 |
| 25  | Campana presostato                      | Pressurestat bowl set                    | Cloche pressostat                     | 2309200 |
| 26  | Panel inferior izquierdo LU-60          | Lower left panel LU60                    | Panneau inférieur gauche LU-60        | 2319141 |
| 27  | Presostato 130-40 mm                    | Pressurestat set 130-40 MM               | Pressostat 130-40 mm                  | 2319354 |
| 28  | Sensor de presión                       | Pressure sensor                          | Senseur de pression                   | 2319773 |
| 29a | Manguera desagüe                        | Tube (drain hose)                        | Tuyau d'écoulement                    | 2319105 |
| 29b | Manguera codo desagüe largo (2m)        | Long drain hose set (2m)                 | Gaine coude vidange longue (2m)       | 2319132 |
| 30  | Anti-retorno                            | Non-return set                           | Anti-retour                           | 2307538 |
| 31a | Rebosadero LU-60/75                     | Drain plug LU-60/75                      | Bloqueur d'eau LU-60/75               | 2319106 |
| 31b | Rebosadero (modelo B)                   | Draing plug (B model)                    | Bloqueur d'eau (modèle B)             | 2319174 |
| 32  | SopORTE rebosadero (no b)               | Drain plug holder set (non B)            | Support bloqueur (no b)               | 2310419 |
| 33  | Filtro bomba vaciado modelos B          | Drainpump filter B model                 | Filtre pompe vidange B model          | 2319263 |
| 34  | Bomba vaciado capota                    | Hood drain pump                          | Pompe de vidange capot                | 2319439 |
| 35  | Juntas colector                         | Drain pump gasket set                    | Joints collecteur                     | 2310753 |
| 36  | Colector                                | Drainage set                             | Collecteur d'écoulement               | 2310692 |
| 37  | Tubo aspiración                         | Sucking tube                             | Tuyau aspiration                      | 2319150 |
| 38  | Panel de mandos LUX-60                  | Control panel LUX-60                     | Panneau de commandes LUX-60           | 2319168 |
| 39  | Caja placa para C/V                     | Plate box for C/V                        | Boîte plaque pour C/V                 | 2319759 |
| 40  | Placa UX (modelos C y V)                | Print for UX (with C and V)              | Plaque UX (avec C et V)               | 2319768 |
| 41  | Tapa placa para C/V                     | Tapa placa para C/V                      | Couvercle plaque pour C/V             | 2319761 |
| 42  | Protección display                      | Display protection                       | Protection écran                      | 2319836 |
| 43  | Guías luz UX                            | Light guides UX                          | Guides lumière UX                     | 2319758 |
| 44  | Placa teclado UX                        | Plate (keyboard) UX                      | Plaque clavier UX                     | 2319760 |
| 45  | Teclado UX                              | Keyboard UX                              | Clavier UX                            | 2319764 |
